

Can is the World of Power

By Barendra Kumar

Pustak Mahal/Unicorn Books, 2006. Softcover. Book Condition: New. 5th or later edition. Inspiration and Motivation, undoubtedly increases effectiveness and efficiency. Thus it is far more essential for the young minds of the nation than anybody else to help them DREAM BIG, AIM HIGH for improvements, innovations and inventions, which can be possible by strong positive thought, acquisition of creative/inventive ideas and its execution according to strategic plan of action for the peace, progress and prosperity of self and society. Can is Power not only advocates the same, but also covers all aspects of personal growth - spiritual, emotional, physical, mental, and inspires to make a successful career to build a meaningful life. Needless to say, it is equally useful for average to excelling students, as well as their custodians/well wishers. This book, for self-analysis, improvement and success, with hundreds of inspirational quotes and hints of stories of different event makers, from different countries - past and present - to expand the databank, will surely induce success thinking for better personal life, yielding to greater national living. Printed Pages: 276.
