It has been designed for any setting where the maintenance of corporal punishment records is desired but a suitable register can no longer be sourced. Printed in a handy smaller format, the journal contains 40 fillable pages, constituting 20 open-face ledger pages, each allowing for the recording of 17 incidents, or 340 entries in total. Columns include Date, Name, Nature of offence, Punishment awarded, Administered by, and a last column for Witness, or any other notation one may wish to make. This was designed by combining the best elements of various official punishment book formats that are no longer available on the market, and should meet a variety of needs.
