Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Three had chosen their lair wisely. In the picturesque Spanish phrase, it situated itself midway of the desert, the great Mexican desert that is more varied in its heated monotony than a land of woods and fields and streams. Here it runs to sparse grass land under upland pinon; there spreads over wide, clean sands that reflect like burnished brass the intolerable glare of the sun. Now it marches for leagues with the yuccas that fling crazed arms and shrunken limbs like posturing dwarfs; again it is dotted with lonely mesas, monolithic masses that raise orange and vermilion facades out of a violet mirage. A magic land it is, made out of shattered rainbows, girded with crimson-and-gold mountains that wear around their high foreheads cooling bandages of snow; a land of deathless calms, cyclonic storms, torrential rains, peopled only by the vultures that wheel against the sky and the little golden dust-whorls which dance together over its heated face.
