Stargazing is a lovely cross-generational activity who wouldn't be fascinated by the sheer size of the universe? Stars offers a straightforward guide to what we know and how we know it, plus a range of activities, ranging from star charts (showing the stars you'll see in different seasons and in different places) to Star Bingo (match the stars you see to those on the card) and a design-your-own-alien sticker game (imagine what life might be like on other planets, far, far away).
