Reviews

An exceptional book as well as the font applied was fascinating to learn. It is loaded with knowledge and wisdom I am just easily can get a pleasure of studying a created book.

(Dr. Benjamin Lakin)

LAYLA

Plain View Press, United States, 2011. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A young woman embarks on a life-changing cross-country trip to face a family secret rooted in America s most turbulent decade. Layla James, a recent graduate and budding photographer, never knew anything about her father except that he named her for the iconic song by Eric Clapton. Her mother--steeped in a political activism that Layla rejects--kept their past shrouded in secrecy, and when she dies of cancer, she leaves only an enigmatic letter--the first in a series that will lead Layla through a cross-country network of 60s radicals and closer to the bombshell at the heart of her parents past. As Layla makes her way from the East Coast to a commune in the California desert, she discovers more about friendship, love, forgiveness, and the personal repercussions of political activism than she could ever have imagined. A stirring and panoramic story, viewed through the lens of the next generation, this exceptional debut novel brings the gestalt of the 60s into focus and sheds new light on the era s legacy in the new millennium. From the Back Cover CEline Keating s deftly plotted novel takes readers on a gripping journey along the underground railroad of post- 60s radicalism. . . . Every adult has to reinterpret the story of her childhood. Keating beautifully demonstrates the courage it takes for each of us to face that bittersweet truth. -- LARRY DARK, Director of The Story Prize A beautiful book--at once nostalgic and fresh--that will go straight to your heart and lodge there. --ALETHEA BLACK, author of I Knew You d Be Lovely [An] emotional page-turner. Layla s coming to terms with her parents dangerous activism is heart wrenching...
